

Kindly (1) insert the attached abstract of the disclosure and (2) replace the attached substitute paper copy of the Sequence Listing for the original paper copy.

**IN THE CLAIMS:**

Kindly amend the claims as follows.

Claim 3,      line 2, replace "in which:" with --consisting of--;  
                 line 3, replace "C." with --C,--;  
                 line 4, replace "G." with --G,--; and  
                 line 5, replace "C." with --C, and--;

Claim 4,      line 2, replace "claims 1-3" with --claim 1--.

Claim 17,     line 2, delete "a protein as claimed in claims 10-12 or".

Claim 18,     line 1, replace "claims 1-7" with --claim 1--.

Claim 19,     line 1, replace "claims 1-7 and claim 18" with --claim 1--.

**REMARKS**

Claims 1-21 are pending.

Amendments to the specification and claims are supported by the original disclosure and, thus, do not add new matter. But if the Examiner should disagree,
